

Art in Action Artist's Expo

March 18, 2016

Believe in Us

The Art in Action program is trying something new this year. Instead of each classroom volunteer hosting a live artist in your classroom there will be an Artist's Expo in the GPS gym. March is National Youth Art month so the Expo will be on Friday, March 18.

There will be 8-10 live artist's booths set up. The artist's will have a handful of their art on display and they will also be demonstrating their art skill. Painters will be painting at an easel, potters will be creating with clay, textile artists will be spinning or weaving etc. The grades can then enter the gym at their designated time and watch the artists create, visit with the artists, and ask questions about their techniques.

The event schedule is as follows:

Artist set-up time, 7:30 - 8:25 a.m.

Kindergarten Classes Visit	8:25-8:50 a.m. (25 min)
1st Grade Classes Visit	8:50-9:15 a.m. (25 min)
