Girls Youth Basketball

5-6 Grade

5/6 Grade Girls: \$25

Registration Deadline: August 12

The Galena ARC girls youth basketball program will consist of one league this year. All practices and games will be held at the ARC.

Practices: 5/6th ARC Girls Basketball practice will start on August 16 + 18 (6-7:30pm) with everyone practicing together. ARC will create teams after the initial practices. We will work to create teams with equitable talent and teams with small numbers so games are competitive and everyone is getting maximum playing time. Teams will be given two time slots a week (Tuesday + Thursday) throughout the season with the last practices being the week of September 29. Exact practice times TBD

Games: The league will consist of 8 games in 4 weeks and a single elimination tournament.
September 3, 10, 17, 24 + 10/1 (Tourney)

Uniform: \$20

The league will use a reversible blue and white jersey with shorts of your choice, If your player already has a reversible jersey then they can use that. If they do not have one or out grew the old one, we can order them a new one for \$20. Please check the size box below, only if you need a jersey for this basketball season.
