

## Summer Camp

### Welcome to Kids Club Summer Camp 2026!

In anticipation for a very fun filled and busy summer here at the ARC we would like to take a moment to share with you a few new things along with items that are always important for parents/guardians to know about our program.

#### Back this year:

- **Standard Registration** fee of \$100 to secure your child (ren's) spot in our summer program. This fee will be due at the time paperwork is turned in. Any paperwork turned in without the fee will not be accepted. This fee will be applied to your child's first week of summer camp. All other fees: sunscreen, pool passes, swim lessons, etc. will be billed and due the first week of camp.

The last 2 weeks of summer camp will be billed at the same time, with payment being due before the beginning of the last week.

All childcare accounts must be up-to-date before registration for Kids Club Summer Camp is accepted.

- **Summer Schedules** - Final Summer schedules will be due to the ARC Childcare Director at the time of registration. No changes may be made after May 12th. Once submitted, billing will be done based on that schedule. Changes to your contracted schedule will only be allowed for 1 week of family vacation with a 2 week written prior notice to Childcare Director/Office Manager. Billing will be done strictly based on your contracted schedule.
- **Parent Payment drop box**— All payments can be placed in the parent payment box located in the ARC lobby outside the entrance to the Infant/Toddler wing. No payments will be accepted by the staff in any program. Credit/debit cards are accepted in the ARC office.
