

SUPPLY LIST (Basic List—for the beginner)

Most of these items available at Michaels, otherwise I provide the link to purchase from Blick's.

PAINTS:

Artist Grade, not student grade please. They are more pigmented so will last longer and are so much easier to use. Example: Gamblin has Artists Oils, their student grade is 1980. I have provided less expensive choices in Artist Grade yellow and red. Blick's or Jerry's Artarama prices on paint can be cheaper than Michael's.
