### Program Enrollment Policies:

1. Children must be 8-12 years old to attend Bat Boot Camp.
2. A registration/information form must be completed and first week fees paid prior to attendance.
3. An ARC contract for services and a receipt of handbook must be completed prior to child attending.
4. Family accounts must be in good standing with the ARC before enrollment in program.
5. Due to the individual freedom and large group dynamic of the Bat Boot camp program it may not be a correct fit for all children. The ARC Childcare Director will assess the physical, social & emotional needs of all children to determine if children would be successful in our program. The ARC Childcare Director will make the final determination if a child will be enrolled or granted enrollment on a temporary basis.

• **Enrollment policy for children with special needs:**

The Galena Art & Recreation Center may use the following criteria to enroll children on a trial basis to determine if the ARC Bat Boot Camp program can fully meet the child's needs. The center will not use eligibility criteria which screens out children with special needs, and will make reasonable modifications in policies, practices and procedures to accommodate all children.

1. If a child has been assigned a one on one aide in the regular school classroom to meet his/her needs it may be determined that a one on one aide be required in the ARC's programs. This aide must be furnished at the parent/guardian expense.
2. A child with a one on one aide in the regular classroom may enroll to the ARC's programs on a trial basis without an aide for two weeks. After the two week period the child's progress will be evaluated. At that time the parents and/or staff have two options: 1) have the child continue to attend without an aide or 2) have the child continue to attend with an aide furnished at the parent/guardian's expense.
3. A child's progress will be closely monitored and the plan may need to be modified and an aide may be eliminated and/or added with changes in the child's IEP, individual needs, behavior, or other circumstances.
4. Due to the individual freedom and large group dynamic of the Bat Boot camp program it may not be a correct fit for all children. The ARC Childcare Director will assess the physical, social & emotional needs of all children to determine if children would be successful in our program. The ARC Childcare Director will make the final determination if a child will be enrolled or granted enrollment on a temporary basis.

**Behavior Management Policy**

The Galena Art & Recreation Center has adopted the following policy to deal with aggressive behavior. This policy was established to protect all children, including the child exhibiting the aggressive behavior. If a child has three aggressive behaviors in one calendar year the child may be removed from the program. If a student is asked to leave early for the day, or suspended for a period of time parents will continue to be billed for tuition. An incident report will be sent home if a child displays negative physical aggressive behavior such as hitting, shoving, punching, and/or biting. Verbal aggression may also be included in an incident report such as swearing, and/or name calling. Inappropriate sexual behavior will also be addressed in the same manner. Below are the steps we will follow should your child show aggressive behavior at the center.

**First Occurrence:**

An incident report is sent home and the teacher will make it a point to speak to the parent regarding the child's behavior per phone call or short end of day conference. Teachers and parents will discuss situations that arise that may trigger a child to react in this manner. A plan will be agreed upon by teachers and parents to monitor the child as to prevent that child

from being in situations that can result in this aggressive behavior. The teacher will also help to show the child a way to deal with the situation in a positive manner while here at the ARC. Parents are expected to discuss the matter at home with their child and discuss different choices for behavior. Discussion will include any changes or situations that may be going on in the child's regular schedule.

**Please note: If the teacher feels at any time the behavior/situation warrants, parents may be called to come and pick their child up immediately for the remainder of the day. Depending on the severity of the situation a suspension may happen. Suspensions will be determined by the Childcare Director.**

### **Second Occurrence:**

After the second aggressive behavior report has been sent home the Childcare Director will ask for a scheduled conference which must include the teachers, parents, Childcare Director and child. The conference will be held to find ways in which we can work together for the benefit of the child and the group of children of which he/she is a part. After the conference the teachers will try the ideas in the classroom that were agreed upon. Working together as a team will benefit the child in learning to gain control over his/her own behavior. At this time the parents and child will understand the severity of the problem and realize that after another incident report they may be asked to leave the program.

**Please note: If the teacher feels at any time the behavior/situation warrants, parents may be called to come and pick their child up immediately for the remainder of the day. Depending on the severity of the situation a suspension may happen. Suspensions will be determined by the Childcare Director.**

### **Third Occurrence:**

After the third aggressive behavior report has been sent home the Childcare Director must take into consideration the needs and safety of the other children/staff in the program. Some children do not adapt well to a large group setting. These children may need a smaller group setting to meet their individual needs. At this point the Childcare Director will meet with the parents to discuss alternative care options or decide to continue to work with the child if they have seen substantial improvement.

**Please note: If the teacher feels at any time the behavior/situation warrants, parents may be called to come and pick their child up immediately for the remainder of the day. Depending on the severity of the situation a suspension may happen. Suspensions will be determined by the Childcare Director.**

**\* If after 15 minutes a parent/guardian has not responded and made a plan made for their child to be picked up, emergency contact people will be called.**

## **Schedules:**

**Weekly schedule:** When a parent registers their child for this program they are required to choose a SET weekly schedule for their child. This will be their committed schedule for the boot camp. Weekly fees will be based off of this contract. Fees will be charged regardless of child's attendance. A 24 hour pre-registration is required for attendance.

**Sick days:** If your child will not be attending because of illness, we would like you to phone in this absence to the Bat Camp number; 815-777-2248. No tuition refunds will be given for days missed because of illness.

**Holidays:** The ARC observes the following holidays and will be closed: Labor Day, Thanksgiving Day & the day after Thanksgiving, Christmas Eve Day, Christmas Day, New Years Day, and Memorial Day & Independence Day( July 3) .

**Contract Change:** Parents must give **two** week written notice to make a *PERMANENT* change to contracted days of service. **If a written notice is received with less than a two week notice parents will remain responsible for two weeks payment.** A schedule change may only happen if the ARC has openings during that time.

**Withdrawal from the program:** If it becomes necessary to permanently withdraw your child, a **two** week written notice is required. **If a written withdrawal is received with less than a two week notice parents will remain responsible for two weeks payment.**

- **Lunch:** All children in attendance will need to bring a healthy sack lunch, with drink included.

Please feel free to talk to our teachers/administration about any concerns you may have about your child (ren) and/or the program. We will work with you to find a solution. In return we expect parents to conduct themselves in a professional manner when dealing with staff and administration. The ARC will not tolerate bad language, disrespect of staff/administration & lack of parental involvement. The ARC reserves the right to terminate services due to improper parental behavior.
